Hi Mark,  
I am currently on [REDACTED]. Please contact the lab directly to get copies of my notes and anything else you would need. If there is a second chemist on the cert they would be able to testify for me if you need them too.  
Thanks,  
Kate

Hi Kate,  
I just wanted to confirm your availability for a jury trial at West Roxbury District Court on 9/10/09.  
The defendant is [REDACTED] and the drug certs are [REDACTED]. Since the court house is just a short distance away from the lab would it be more convenient for you to be on call? We would telephone you with an estimate of a time to testify rather than have you hang around the court all morning.  
I look forward to meeting with you.  
regards  
Mark Swadling
